

## TAMARA ILLESCAS MOLINA

**MD:** Universidad de Alcalá de Henares, Madrid 1995-2001.

**Obstetrics and Gynecology:** Hospital Universitario La Paz, Madrid (2002-2006).

**PhD:** Universidad Complutense, Madrid, 2011. 'Biochemical markers in first trimester screening for aneuploidies in subsequent pregnancies.' <http://eprints.ucm.es>

**Ian Donald School of Ultrasound in Medicine:** Director of the Spanish branch in Madrid since June 2013.

My career has been mainly focused on prenatal diagnosis and fetal medicine, which I have developed in different centers in Madrid: Delta Ultrasound Diagnostic Center in Obstetrics and Gynecology, Hospital de Torrejón, Hospital Montepíncipe, Hospital Universitario San Carlos.

I have also been training on this field in different countries: Fetal Neurology Clinic, Edith Wolfson Medical Center, Tel Aviv, Israel (Professor Malinger); Harris Birthright Research Center for Fetal Medicine, King's College Hospital, London, UK (Professor Nicolaidis); Ospedale Microcitemico, Cagliari, Italy (Dr. Monni); Fetal Therapy Unit, Jackson Memorial Hospital, Miami, Florida, USA (Dr. Quintero).

### **Research and publications:**

More than 35 publications (research articles and chapters in books), in English and Spanish.

Currently working on a post-doctoral fellowship in fetal surgery for spina bifida in Hospital Universitari Vall d'Hebron.
